The Proverbs Woman and the Professional Organizer: Redesigning Perfect

This presentation covers Proverbs 31 and the segment frequently called “the proverbs woman.” This selection from scripture is examined looking at all the accomplishments this composite woman attains. No one woman can ever measure up. Therefore, know when to call in help; particularly a professional organizer. Homes with more than one inhabitant face clutter! Clutter is an energy-sapper that takes its emotional toll and steals domestic joy. Several general tips on organizing follow
